Once you plead guilty you may not appeal a decision rendered by the Discipline Hearing Panel

All other Discipline by Hearing decisions may be appealed to Ontario Soccer.

OTHER INFORMATION:

If a person is suspended for a number of games or period of time, ensure the person’s name does not appear on the game sheet. Ontario Soccer rules state that all players/coaches name on the team sheet for a game are deemed to have played whether in attendance or not.

So, if a player or team official is suspended scratch the name off of the list!

If the SASA Discipline Committee or Ontario Soccer suspends a person, only that Committee may reinstate the person.

If a player is required to attend a hearing or requests a hearing, then that player may play in games until the hearing takes place.

If a person is charged with Match Official Assault, then the person is suspended immediately from all soccer activities until a hearing is held.

If a registrant is suspended for a specific number of scheduled games in a tournament and if the suspension has not been fully served, then any outstanding games shall be transferred to the game(s) of the registrant's league.

A player who has been suspended for one or more games in league play shall not be permitted to play up for a higher level club team within his/her own Club or with a TRP for a higher level club team of a club other than the one with which he/she is registered.

A player or team official suspended for specific games may not participate in any other registration category for that team during their suspension. (For example, if a player is suspended, they cannot serve as a team official during their suspension for that team).

Game suspension not completed during the current playing season will be carried over to the following playing season. Indoor to Indoor, Outdoor to Outdoor.
